JASPER COUNTY LOGGING PERMIT

PERMIT #2017-L-_____

I hereby make application for permit as stated on page one, and if the same is granted I agree to comply with the Jasper County Ordinances regulating the plans and specifications submitted. I also agree to comply with the Georgia Erosion and Sediment Control ordinance.

Signature of applicant: _____ **Date:** _____

Applicant must read, initial, and date that the following has been read and understood.

1. Crushed stone must be added and maintained at exit at all times to prevent dirt entering road.
2. Applicant is responsible for maintaining exits and for removing mud off the roads at all times. (Section 50-65)
3. The permit must be posted at each entrance and exit to the site as identified on the attached tax map. (Section 50-62) It is the applicant's responsibility to make sure the permit placard does not degrade due to prolonged exposure to the weather.
4. Erosion control measures must be practiced at all times including placement of culverts as required. (Section 50-63)
5. Signs indicating logging trucks entering road must be posted on both sides of logging exit.
6. Applicant must abide by Article III. Timber and Forest Products Harvesting Operations (Attached).

***A \$50 fine will be charged individually for the following noncompliance issues. In addition a stop work order, at our discretion, may also be issued.**
