## NOTIFICATION #2021-L-\_\_\_\_\_

I agree to comply with the Jasper County Ordinances regulating the plans and specifications submitted.  
I also agree to comply with the Georgia Erosion and Sediment Control ordinance and the Forestry Commission's Best Practices.

Signature of applicant: \_\_\_\_\_ Date: \_\_\_\_\_

**Applicant must read, initial, and date that the following has been read and understood.**

1. Applicant is responsible for maintaining exits and for removing mud off the roads **at all times** in accordance with Georgia Code Title 32. If mud is pulled into the roadway, it is expected that the site manager will have it cleaned immediately, and correct the reason for the mud being pulled out of the site. It is also expected that the applicant will not impede water flow at the entrance, and will make corrections if done. For example, installing a culvert pipe.
2. The notification placard should be posted at each entrance and exit to the site as identified on the attached tax map.
3. Signs indicating logging trucks entering road should be posted on both sides of the logging exit.
4. Applicant must abide by Article III. Timber and Forest Products Harvesting Operations.

**\*\*There will be a \$500 fine issued for not notifying the county of the beginning or completion of work within 24 hours. Road damage will result in the bond/LOC being utilized. All work should cease until site is back in compliance\*\***
