Staff Present: Mike Benton, County Manager, Clerk, Sharon Robinson, Finance Director, Dennis Pate, and County Attorney, David Ozburn. Also, Planning Director, Shane Sealy, Senior Center Director, Tracy Norton, and Public Works Director, Preston Campbell.

Pledge of Allegiance:

Invocation:

Rev. Preston Campbell, Maddox Chapel Missionary Baptist Church.

Agenda Approval:

Comm. Henry made motion approve the agenda as presented, Comm. Luke seconded; passed unanimously.

Consent Agenda:

Minutes:

Comm. Jernigan made motion to approve the Regular Meeting Minutes of February 4, 2019, Henry seconded; passed unanimously.

Check Register:

Comm. Jernigan made motion to approve the check register which included check #'s 54402 - 54637 for payment, Luke seconded; passed unanimously.

Public Hearing:

None

Commissioner's Items:

Jernigan – He has gotten calls about the litter problem in the count. Sheriff notified him On March 23rd there will be a Community-wide litter pick-up and would like for permission to be granted to take litter to Landfill at no cost. Thanked Rev. Horton and Boys to Men Club of Springfield Baptist Church for their efforts in picking up trash. Also Kasey Hall has offered to have 4-H'ers volunteer to pick up trash.

Henry – None

Luke - County Line Rd, Bear Creek Marina, and Bear Creek Point need clean-up. Bragged on how professional the Landfill staff was when he was there on Saturday.

Pennamon – talked to Steve Edwards at Advanced Disposal and he has agreed to provide trash bags year round, asks that the County Manager purchase the bags through the county and he will reimburse the county. He has received calls about blighted properties in the county.

Presentations/Delegations:

None

Regular Agenda:

Old Business:

Cannery Property Status:

Comm. Pennamon noted we may have another option on this property. He asks to move this discussion to after Executive Session.

Board members agreed to move it to after Executive Session.

2018 Capital Improvements Element – Impact Fees:

Mr. Benton noted we have met, had Public Hearings and submitted documents to DCA. DCA has returned the documents and would like the projects to be more specifically named and not use “facility update” as a description.

Comm. Pennamon noted this goes along with Impact Fees, he feels we need to look at percentages and the projects we will use Impact Fee monies on.

Mr. Benton noted we have to get the 2018 CIE updated and also the 2019 CIE is also on the agenda to discuss.

Mr. Benton reviewed a project update report with the Board.

Board agreed to have a Work Session at the April meeting to discuss Impact Fees.

2019 CDBG Application DCA Submission Approval:

Mr. Benton noted the minimum local cash match is \$22,500. The BOC will need to approve and match the cash match of \$22,500 if awarded.

Comm. Henry made motion to approve and Authorize Chairman to sign the resolution 2019-03-04-02 approving the submission of a 2019 Community Development Block Grant application to the Department of Community Affairs to help finance the Health Department Relocation and Renovation project as stated; Jernigan seconded. Passed unanimously.

New Business:

Appointments to Planning and Zoning Board:

Jasper County Board of Commissioners Meeting Minutes March 4, 2019 – Regular Meeting

Mr. Sealy noted Planning and Zoning has five (5) vacancies for the Planning and Zoning Board and they have four expired members willing to serve again. They have advertised the vacancies and did receive an interest letter from Ronald Burch.

Comm. Pennamon gave Mr. McCombie, Ms. Campbell, and Mr. Burch the opportunity to publicly express their interest in serving on the board. Mr. Owens and Ms. Bennett could not be in attendance.

Comm. Luke made motion to appoint Justin Owens for a 3-year term, Henry seconded; passed unanimously.

Comm. Henry made motion to appoint Julie Bennett for a 2-year term, Jernigan seconded passed unanimously.

Comm. Luke made motion to appoint Mike McCombie for a 3-year term, Henry seconded; passed unanimously.

Comm. Henry made motion to appoint Francis Campbell for a 1-year term, Jernigan seconded; passed unanimously.

Comm. Jernigan made motion to appoint Ronald Burch for a 2-year term, Henry seconded; passed unanimously.

Appointments to Planning and Zoning Appeals Board:

Mr. Sealy noted Planning and Zoning has five (5) vacancies for the Zoning Appeals Board and they have three expired members willing to serve again. They have advertised the vacancies and did receive an interest letter from Mary Patrick.

Comm. Pennamon gave Mr. Boyd, Mr. Wynn, and Ms. Patrick the opportunity to publicly express their interest in serving on the Appeals Board. Mr. Kelly could not be in attendance.

Comm. Henry made motion to appoint Andrew Boyd for 3-year term, Jernigan seconded; passed unanimously.

Comm. Jernigan made motion to appoint Terry Wynn for a 3-year term, Luke seconded; passed unanimously.

Comm. Luke made motion to appoint Paul Kelly for a 1-year term, Henry seconded; passed unanimously.

Comm. Luke made motion to appoint Mary Patrick for a 2-year term, Henry seconded; passed unanimously.

HB 302 and SB 172 – Preemption of Local Building Design Standards:

Mr. Sealy noted HB 302 and SB 172 is legislation introduced into the Georgia General Assembly that would preempt local government's ability to regulate building design elements in single or double family dwellings standards. The proposed bills would prohibit counties from adopting local building standards.

Mr. Sealy further noted, if a house meets state minimum standard building codes, it can be built. The preemption does not apply to state or federal historic districts, mobile homes and homes governed by a neighborhood association or covenant.

Comm. Jernigan made motion to authorize Chairman to sign Resolution # 2019-03-04-01 Opposing House Bill 302 and Senate Bill 172, Preemption of Local Building Design Standards, Henry seconded; passed unanimously.

Senior Center 2012 SPLOST Expenditure Request:

Tracy Norton noted the Senior Center 2012 SPLOST has \$2,087.35 remaining allocation. The Senior Center would like to purchase a 5-compartment steam table with this. We currently have a four-compartment steam table but need a 5-compartment for our new kitchen. We will allow the Sheriff's Department kitchen to use our old steam table.

Comm. Luke made motion to approve the Senior Center to use the remaining 2012 SPLOST Senior Center allocation in the amount of \$2087.54 for the expenditures of purchasing a 5-compartment steam table; remainder of \$671.43 will come out of Senior Center line item budget for a total of \$2,758.78, Henry seconded; passed unanimously.

Clean Up Jasper County – April 2019:

Comm. Pennamon noted the Board of Commissioners has been allowing residents of Jasper County to use the landfill during the month of April at no charge. They would like to do that again this year as well.

Commissioners had discussion about not allowing contractors to waive the fees.

Comm. Luke made motion to approve Jasper County Landfill to waive tipping fees for the month of April 2019 during Landfill hours for Jasper County residents only; only 4 tires per household, only pick-up trucks and yard trailers and allow Sheriff clean up free of charge on March 23rd. Jernigan seconded; passed unanimously.

Four Roads Asphalt Repair Bid Award:

Mr. Benton noted 4 bids were received:

East Coast Grading -	\$43,700.00
Houston Asphalt -	\$32,410.00
Jack Buckland Paving -	\$24,500.00
Womack Paving -	\$42,300.00

Mr. Benton noted County Engineer, Public Works Director and County Manager recommend awarding the bid to Jack Buckland Paving and charge it to the 2018 SPLOST.

Comm. Luke made motion to award the Four Roads Overlay Repairs Project bid to the apparent low bidder, Jack Buckland Paving, in the amount of \$24,500.00 to come out of 2018 SPLOST, for placement of asphalt for the four roads (Turtle Cove Trailway (100' x 22'), Fullerton Phillips Road (220' x 20'), Jones Road (230' x 20'), and McMichael Road (200' x 18')). Henry seconded; passed unanimously.

Public Works Equipment:

Mr. Benton noted that there was a Work Session held earlier and some immediate need for a Tandem Dump Truck and Motor grader were expressed by Public Works Director, Preston Campbell.

Mr. Henry noted they discussed that the Dump Truck was an immediate need and the motor grader could be put off until we got employees to operate.

Mr. Benton noted the lead time for the motor grader is pretty quick response.

Commissioners agreed to advertise for help and get someone hired and trained.

Comm. Henry made motion to get bids on Tandem Dump Truck based on Work Session discussion and bring bids back to secure funding; Jernigan seconded; passed unanimously.

Comm. Luke made motion to table motor grader purchase until we get a properly trained operator, Henry seconded; passed unanimously.

Public Works Shop Building:

Mr. Benton noted it was also discussed in the Work Session about the need for a Public Works Shop Building.

Commissioners agreed to have County Manager, Public Works Director, and County Engineer to come back to Board with plans.

2019 Capital Improvements Element – Impact Fees:

Comm. Henry made motion to table until next Regular Meeting Work Session, Jernigan seconded; passed unanimously.

County Attorney Items:

Atty. Ozburn noted City of Monticello submitted a bill that changed Charter to add Municipal Court back, they have an IGA with Magistrate Judge, no detrimental effect to County. Also noted he will need an Executive Session.

County Manager Items:

Mr. Benton noted that Goolsby Road, Shepherd Road to be finalized; cleanup and repair at Animal Shelter. Public Works is going to work with Animal Shelter to fix some drainage issues. Reached out for help on Courthouse repairs, has one proposal waiting on 2 more; will come to board when he gets them all.

Comm. Pennamon noted that Mr. L.O. Benton passed away, he has been an asset to the County and his services will be this Friday.

Citizens Comments:

None.

Executive Session:

Comm. Jernigan made motion to go into Executive Session at 7:04 p.m. to discuss real estate and potential litigation, Henry seconded; passed unanimously.

Comm. Henry made motion to come out of Executive Session at 8:30 p.m., Jernigan seconded; passed unanimously.

Comm. Henry made motion to enter into an IGA and lease cannery property to The Development Authority, Luke seconded; passed unanimously.

Comm. Henry made motion to enter into an IGA with the Development Authority for financing and purchase of 825 Eatonton Street, Luke seconded; passed unanimously.

Adjourn:

Comm. Henry made motion to adjourn at 8:31 p.m., Jernigan seconded; passed unanimously.

August 1, 2019

To the Commissioners of Jasper County,

My name is Chrissy Mason and I would like to be appointed to the Jasper County Recreation Association Board. I am married with two boys, ages 9 and 3. My husband and I have been involved with the Recreation Department our whole lives. I played recreation sports as a child, here in Monticello and now we are involved in recreation sports with our children. We spend a lot of our time at the recreation department and would like to be involved more with decision making to help our community.

Thank you for your consideration!

Good Morning Ms. Sharon,

My apologies for not replying to you yesterday. I was out of the office and did not receive your email until today. Nevertheless I am interested in serving on the board for another term and would like to be re-appointed to the Recreation Board if the opportunity is still available. Please let me know if you need anything additional from me at this time.

Thank you,
Valarie Bennett

Jasper County Board of Commissioners
126 West Greene Street #110
Monticello, Georgia 31064

Jasper County Board of Commissioners,

This letter is to notify you of my interest to serve as a citizen volunteer on the Jasper County Recreation Board. I have been a resident of Jasper County since 1999, and a 2008 Jasper County High School graduate. Growing up here, I have participated in the Baseball, Football, and Basketball programs offered by the Jasper County Recreation Department. I have also used the Disc Golf Course and have seen firsthand the improvements made at the Recreation Department to increase the safety and beauty of the area.

I am pleased to say that my three year old son started wee-ball this past season. I look forward to and am thankful that Jasper County has offered this opportunity for such a young age group. I serve in Law Enforcement as a Middle School Resource Officer (SRO) where I have volunteered my time to assist with the Middle School Football and Baseball program. I feel like sporting activities are vital for youth, even more so now with the current technology available to children.

My desire is to give back anyway I can to the Jasper County Recreation Department, Jasper County as a whole, and the citizens that utilize the park. I was given the chance to participate with the park as a child and now want to offer my time to do the same for others. I would appreciate any consideration given to this matter from the Jasper County Board of Commissioners.

Sincerely,

William "Ed" Jernigan

Agenda Request – Jasper County BOC

Department: Board of Commissioners

Date: September 9, 2019

Subject: 2019 ACCG Legislative Leadership Conference Delegate Appointment

Summary:

ACCG is holding its Legislative Leadership Conference on October 3, 2019 at the Classic Center in Athens, GA.

The ACCG 2020 Legislative Agenda and Priorities will be voted on during the Conference.

Find attached the 2020 ACCG Policy Committee's Proposed Policy Agenda.

Background:

The Association County Commissioners of Georgia represents the interests of County Governments during each Georgia Legislative Session.

Cost:

None

Recommended Motion:

Motion to appoint one Commissioner as the Jasper County Delegate to the 2019 ACCG Legislative Leadership Conference on October 3, 2019.

2020 ACCG Policy Committees' Proposed Policy Agenda Items

The Policy Agenda is the guide for the ACCG policy team in influencing legislative and administrative actions in the state and federal government on behalf of Georgia counties. ACCG's six policy committees (outside the Federal Committee) have met twice this summer and have recommended the below items, listed by committee, for the Policy Council's consideration for inclusion in ACCG's 2020 Policy Agenda. The Policy Council's agenda recommendations will then be presented to the ACCG membership for approval at the business session of ACCG's Legislative Leadership Conference on Thursday, October 3, 2019 in Athens-Clarke County, Georgia.

Economic Development and Transportation Committee Recommendation

- 1) Bridge Improvement Program** – ACCG supports the use of formal asset management programs and innovative technology as a supplement to inspection of the condition of local bridge infrastructure. As of July 2019, counties are responsible for maintaining 8,034 bridge structures, many were built between 1950 and 1965 and carrying a 40-50 year life span. More than 1,350 bridges in the state are posted for weight restrictions or are closed to traffic; 97% of these bridges are on local roads. County officials rely on asset management data provided by GDOT to prioritize the use of limited infrastructure funding for repairing and replacing these structures. When possible, ACCG encourages GDOT to use objective methods to assess bridge infrastructure conditions to ensure clarity and certainty of information and the most efficient use of limited funding. ACCG also encourages GDOT to continue its funding assistance to county governments for local bridges.

General County Government Committee Recommendations

- 1) State and Federal Mandates/Fiscal Analysis**
 - ACCG recommends that state existing mandates be identified, the impact of each be assessed, and the means for eliminating or funding each mandate be identified.
 - ACCG proposes that the monetary threshold for requiring fiscal analysis of a bill before the General Assembly (currently set at \$5 million aggregate statewide impact) be lowered to \$1 million if a proposed mandate would affect counties alone, rather than in combination with cities and schools.
 - Furthermore, the fiscal analysis process should be expanded to review legislative and regulatory proposals that would result in the loss or reduction of revenues as well as increases in expenditures.

- 2) **Creation of New Cities** - The creation of a new city should not be dependent upon said city going into immediate debt upon its creation.
- 3) **Service Delivery Strategies** –At a minimum, in order to minimize conflict in future revisions to local service delivery strategies, the Service Delivery Strategies (SDS) Act should be amended as follows:
 - Key definitions and principles detailed in the joint SDS handbook authored by ACCG, GMA, DCA and CVIOG should be clearly set forth in the statute;
 - The frequency and scheduling of future revisions to local service delivery strategies should be clarified;
 - Sanctions should be enacted for cities that do not negotiate in good faith along with protections for the county and those cities that do;
 - The law should be amended to ensure that service delivery negotiations between counties and cities occur on a “level playing field”;
 - The law should be amended to require LOST and service delivery negotiations to occur simultaneously, as one single negotiation;
 - The judicial dispute resolution procedures in current law is constitutionally suspect and should be eliminated;
 - Ensure that cities cannot charge higher utility rates or fees to unincorporated residents unless that cost is “reasonably” related to the cost of providing the service; and
 - Current law should be amended to clarify that all revenues generated by taxes and fees levied or imposed primarily in the unincorporated areas of the county — like business and occupation taxes, hotel-motel taxes and alcoholic beverage taxes — may be used by the county to offset the cost of county services provided primarily to unincorporated residents and property owners or for the county’s share of the cost of providing services jointly funded with one or more cities.
- 4) **Nonpartisan Elections** – ACCG supports legislation authorizing the nonpartisan election of the members of county governing authorities, subject to a local referendum called by the local governing authority.
- 5) **Consolidated Government Elections** – ACCG supports holding nonpartisan elections for members of Georgia’s consolidated governments during the state’s general elections in even-numbered years.
- 6) **Package Sales of Distilled Spirits** – Current law restricts counties from calling for a referendum to consider the package sale of distilled spirits unless a written petition

containing the signatures of at least 35 percent of the registered and qualified voters in the county. As the 35-percent threshold is difficult to obtain, ACCG supports authorizing the county's governing authority to initiate the public referendum process via the adoption of a local ordinance or resolution.

- 7) **Eliminate Outdated Notice Requirements in Legal Organ** – Counties should be provided with the flexibility to post mandated notices on their websites or on a common statewide website instead. The press is free to post these notices in newspapers as a public service to which they are committed but should not be subsidized by local taxpayers in doing so.

Health and Human Services Committee Recommendations

- 1) **Allow Medicaid Coverage for Inmates Awaiting Trial** - Request the Federal Government to allow Medicaid Coverage for eligible inmates/detainees in local jails pre adjudication and for hospital stays of more than 24 hours post adjudication. The inmate exception rule must be rescinded for those awaiting trial that have not been convicted. Those accused should not lose their federal benefits prior to conviction.
- 2) **Limit Charges for All Inmate Medical Services to Medicaid Rates** – All providers of medical services for inmates housed in local jails should be capped at the Medicaid rate.

Natural Resources and the Environment Committee Recommendations

- 1) **Fees on Property Tax Bills** - Local elected officials and their citizens should control the substance of what will or will not be placed on a local property tax bill. To make fees a viable option to the property tax, they must be easy to administer and collect. Having the option to collect fees on the property tax bill ensures that the fees can be collected efficiently. ACCG asks the General Assembly to protect this important local tool for charging a fee for service as an alternative to the property tax.
- 2) **Redirection of Dedicated Fees** - ACCG supports the legislative intent for various fees collected at the state level to go toward their statutorily-designated purposes. To end the practice of these fees becoming taxes that bolster the state's general fund, ACCG urges the General Assembly to adopt one or more constitutional amendments creating constitutional trust funds to truly dedicate these fees to their intended purposes.

Public Safety and the Courts Committee Recommendations

- 1) **Increase Add-On to Criminal and Quasi Criminal Fines to Fund the Peace Officer Annuity and Benefit Fund (POAB)** – One result of criminal justice reform has been the elimination or reduction of fines on many criminal cases resulting in a decrease in contributions to the POAB fund. ACCG supports the increase in the fine add-on to ensure this valuable recruitment and retention tool remains a viable option for counties to maintain a quality law enforcement staff.
- 2) **Support Policy and Rule Changes by the Department of Public Health (DPH) to Increase Transparency in relation to EMS Zone Services** – ACCG supports the proposed policy and rule changes by DPH to increase accountability and transparency around the awarding of EMS Zone Providers and standardized operating procedures for the regional councils that oversee the operation of EMS zone providers.

Revenue and Finance Committee Recommendations

- 1) **Public Notification of Tax Increase** – The tax increase notice required under the Taxpayer Bill of Rights has created great confusion about tax increases for the public. To promote public notification of tax increases, ACCG requests that the notification required by the Taxpayer Bill of Rights and the five-year history be replaced with one annual notification that is simple for the taxpayer to understand. Additionally, the General Assembly should consider exempting those local governments with “floating” homestead exemptions from compliance with these additional notification steps, in the same manner as the General Assembly has exempted the City of Atlanta.
- 2) **Situs of Taxable Transactions** – For businesses to accurately determine the proper sales tax allocation to each county, state law should clearly prescribe a uniform method for businesses to identify the county where the transaction occurs. Such steps could include requiring the Department of Revenue rate and boundary database to include information at the street address level in addition to the 9-digit zip code when this information is provided to DOR by a county or city in an approved format.
- 3) **Marketplace Facilitator Tax Collection**
 - (a) **Online Platforms** – ACCG asks the General Assembly to require online platforms that host third-party sellers (e.g., Amazon, Ebay, AirBnb, etc.) to collect and remit applicable taxes on sales to Georgia customers.

(b) Short Term Rentals and Ride Share Services – ACCG asks the General Assembly to require any business that provides an online or other platform for the transaction of short term rentals or ride share network services to collect and remit sales taxes on such services to the Department of Revenue. Taxes collected through such platforms should be distributed to counties, cities, and boards of education in the same manner as other local sales taxes. Additionally, the General Assembly should require any business that provides an online or other platform providing short-term rentals to collect and remit hotel/motel taxes to the relevant local jurisdictions.

4) Revenue Flexibility - Multiple options for generating needed revenues allows local governments to respond to local conditions and constituents' desires, including allowing for property tax relief to their citizens. ACCG supports maximum flexibility for counties with regard to sales taxes.

a) Homestead Option Sales Tax (HOST): Allow for All Counties – The HOST tax is a 1 percent county sales tax, the proceeds of which are used to fund a homestead exemption to reduce or eliminate the county property tax levy on homeowners. However, due to limitations in state law, HOST is only available to the handful of counties that do not have a Local Option Sales Tax (LOST). ACCG recommends removal of this impediment so that any county can choose any combination of the sales tax options available.

(b) Special Purpose Local Option Sales Tax (SPLOST) – ACCG asks the General Assembly to make changes to the SPLOST law, including ~~4~~ clarifying that repayment of debt on a courthouse, administrative building, or jail qualifies for the level one category.

(c) Local Option Sales Tax (LOST) – ACCG asks the General Assembly to enact an objective formula, based upon recommendations from ACCG and the Georgia Municipal Association (GMA), as an alternative for counties and cities that cannot reach a consensus on LOST through an intergovernmental agreement.

(d) Sales Tax to Offset Property Tax – ACCG asks the General Assembly to help counties reduce their reliance on property tax by expanding the existing sales tax base through reductions in exemptions and including additional services and digital goods such as digital music, books, and video. Commissioners should also be granted greater flexibility to determine the appropriate local sales tax rate for their county.

(e) Local Exemption from Transportation Taxes and Fees – During the 2015 Session of the General Assembly, several changes were made to the tax code to provide more funding for transportation. Unlike the historical practice of exempting government from

paying taxes, the new taxes and fees for transportation were applied to purchases by both state and local government. ACCG does not believe it is appropriate to tax a government and asks the General Assembly to exempt local governments from the new state hotel/motel fee, motor fuel excise tax, heavy weight truck fee, and the alternative fuel vehicle tax.

- 5) **Right-of-Way Occupancy Fee** –ACCG asks the General Assembly to eliminate the current franchise fees and taxes on telecommunication service providers and replace these revenues with a local telecommunications excise tax. The local revenues should be split between the counties and the cities based upon a population formula.

- 6) **Title Agent Fees and Equipment Costs** – Although tag and title administration is a state function, counties currently provide all of the equipment for and data input into the tag and title system but have not received an increase in compensation for such services. ACCG recommends that the title fee be raised from \$18.00 to \$20.00 and the fee for a replacement title be raised from \$8.00 to \$20.00. In addition, the counties' share of the base tag fee should be increased and the General Assembly should provide funding to assist counties in acquiring upgraded equipment necessary to implement the state's new DRIVES system.

Agenda Request – Jasper County BOC

Department: Board of Commissioners

Date: September 9, 2019

Subject: Complete Count Committee Chairman and Vice Chairman Appointments

Summary:

Census participation is important for everyone due to many factors such as funding programs and functions that are based on US Census data.

Funding Programs and Functions include:

Federal Funding Programs

State Funding Programs

U.S. Congressional Redistricting

State Legislature Redistricting

Local Government Redistricting

One primary method of encouraging census participation is through the utilization of a Complete Count Committee comprised of local residents, business leaders and government personnel.

One method of organizing a Complete Count Committee is thru appointing a Chair and Vice Chair with the task of assembling a diverse committee.

The Northeast Georgia Regional Commission is conducting a Complete Count Committee Information Session on Friday, October 11, 2019 at the NEGRC Headquarters in Athens, GA.

Background:

The United Constitution requires a nationwide census to be conducted every ten years.

The Official Census Day is April 1, 2020.

Cost:

Recommended Motion:

Motion to appoint Carole Norris as Chair and Sharon Robinson as Vice Chair of Jasper County's Complete Count Committee.

COMPLETE COUNT COMMITTEE INFORMATION SESSION

The Northeast Georgia Regional Commission is hosting a Georgia Department of Community Affairs (DCA) Complete Count Committee Presentation at the NEGRC's Athens headquarters on October 11th at 10:30am. Guest Speaker Rusty Haygood, DCA's Deputy Commissioner, will provide information and resources for communities to jumpstart local Complete Count Committees. Communities are encouraged to establish active Complete Count Committees (CCCs) leading up to the 2020 Census in order to educate residents about the importance of participating in the Census. The goal of a CCC is to maximize local Census response rates and ensure cities and counties are properly counted.

Community leaders, including elected officials, county and city managers, economic development professionals, and representatives from educational and other community institutions are encouraged to attend. To register for the meeting, please contact Monica Sagastizado, NEGRC Project Specialist, at msagastizado@negrc.org or (706) 369-5650.

**RE: Development Authority of Walton County
2019 OneGeorgia Authority Equity Application
Piedmont Regional Industrial Park Parkway Extension**

Dear Mrs. Hensley:

As a OneGeorgia Eligible County, Jasper County wishes to extend support for the OneGeorgia Equity application being submitted by the Development Authority of Walton County. This project will extend Piedmont Parkway through the Piedmont Regional Industrial Park, creating a main entrance, allowing a business to expand its operations and allow for the location of two new prospects. The Parkway extension will also allow for more land in the park to be opened up for new business.

Piedmont Regional Industrial Park is a valuable asset for our region, and is the home of several large scale employers. Because of its central location, it provides many jobs to people, including residents of Jasper County, and now, with this proposed extension, it has the capacity to provide even more jobs for our region.

As this project will bring a great benefit to the region, Jasper County is in full support. Thank you for your consideration of this project and its potential for economic prosperity in the region.

Agenda Request – Jasper County BOC

Department: Finance

Date: September 9, 2019

Subject: FY 2019 Audit Engagement Approval

Summary:

Jasper County Board of Commissioners operates County activities on a Fiscal Year Basis beginning July 1 and ending June 30 of each year.

The State of Georgia requires each County to submit a completed audit within six months of the completion of the Fiscal Year.

Jasper County Board of Commissioners needs to contract for auditing services for the Fiscal Year just ended July 1, 2018 thru June 30, 2019.

The audit firm of Clifton, Lipford, Hardison & Parker have submitted an engagement proposal for auditing the Fiscal Year July 1, 2018 thru June 30, 2019.

Background:

Jasper County Board of Commissioners are required by State regulations to contract with an independent audit firm to conduct an annual audit of County financial statements of governmental activities, business type activities and component units.

Cost:

Fee for services - \$28,000 - \$35,000

Final cost based on condition of accounting records.

Recommended Motion:

Motion to approve Chairman Pennamon to execute the audit engagement letter from Clifton, Lipford, Hardison & Parker for auditing services for Jasper County Board of Commissioners' Fiscal Year beginning July 1, 2018 and ending June 30, 2019.

August 27, 2019

Board of Commissioners
Jasper County, Georgia
126 W. Green Street, Suite 18
Monticello, GA 31064

We are pleased to confirm our understanding of the services we are to provide Jasper County, Georgia for the year ended June 30, 2019. We will audit the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information, including the related notes to the financial statements, which collectively comprise the basic financial statements of Jasper County, Georgia as of and for the year ended June 30, 2019. Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement Jasper County, Georgia's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to Jasper County, Georgia's RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by U.S. generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

- 1) Management's Discussion and Analysis.
- 2) Schedule of Changes in the County's Net Pension Liability and Related Ratios
- 3) Schedule of County Contributions
- 4) Schedule of Changes in the 911 Authority's Net pension Liability and Related Ratios
- 5) Schedule of 911 Authority Contributions
- 6) Notes to the Required Supplementary Information

We have also been engaged to report on supplementary information other than RSI that accompanies Jasper County, Georgia's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and we will provide an opinion on it in relation to the financial statements as a whole, in a report combined with our auditor's report on the financial statements:

- 1) Combining and Individual Nonmajor Fund Financial Statements
- 2) Budgetary Comparison Schedules
- 3) Jasper County 911 Authority Statements
- 4) Schedule of Project Expenditures with Special Sales Tax Proceeds

The following other information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditor's report will not provide an opinion or any assurance on that other information.

- 1) Introductory Section
- 2) Statistical Tables

Audit Objectives

The objective of our audit is the expression of opinions as to whether your financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and will include tests of the accounting records of Jasper County, Georgia and other procedures we consider necessary to enable us to express such opinions. We will issue a written report upon completion of our audit of Jasper County, Georgia's financial statements. Our report will be addressed to management and the Board of Commissioners of Jasper County, Georgia. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or may withdraw from this engagement.

We will also provide a report (that does not include an opinion) on internal control related to the financial statements and compliance with the provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the financial statements as required by *Government Auditing Standards*. The report on internal control and on compliance and other matters will include a paragraph that states (1) that the purpose of the report is solely to describe the scope of testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control on compliance, and (2) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The paragraph will also state that the report is not suitable for any other purpose. If during our audit we become aware that Jasper County, Georgia is subject to an audit requirement that is not encompassed in the terms of this engagement, we will communicate to management and those charged with governance that an audit in accordance with U.S. generally accepted auditing standards and the standards for financial audits contained in *Government Auditing Standards* may not satisfy the relevant legal, regulatory, or contractual requirements.

Audit Procedures—General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees

acting on behalf of the government. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential, and of any material abuse that comes to our attention. Our responsibility as auditors is limited to the period covered by our audit and does not extend to later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about your responsibilities for the financial statements; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

Audit Procedures—Internal Control

Our audit will include obtaining an understanding of the government and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards and *Government Auditing Standards*.

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of Jasper County, Georgia's compliance with the provisions of applicable laws, regulations, contracts, agreements, and grants. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

Other Services

We will also assist in preparing the financial statements and related notes, the DCA Report of Local Government Finances, and the Landfill Assurance of Jasper County, Georgia in conformity with U.S. generally accepted accounting principles based on information provided by you. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statement services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

Management Responsibilities

Management is responsible for designing, implementing, establishing, and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met; following laws and regulations; and ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles, for the preparation and fair presentation of the financial statements and all accompanying information in conformity with U.S. generally accepted accounting principles, and for compliance with applicable laws and regulations and the provisions of contracts and grant agreements.

Management is also responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, (2) additional information that we may request for the purpose of the audit, and (3) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence.

Your responsibilities include adjusting the financial statements to correct material misstatements and for confirming to us in the written representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws, regulations, contracts, agreements, and grants and for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts or grant agreements, or abuse that we report.

You are responsible for the preparation of the supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles. You agree to include our report on the supplementary information in any document that contains and indicates that we have reported on the supplementary information. You also agree to include the audited financial statements with any

presentation of the supplementary information that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information.

You agree to assume all management responsibilities relating to the financial statements and related notes and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements and related notes and that you have reviewed and approved the financial statements and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

Engagement Administration, Fees, and Other

We may from time to time and depending on the circumstances, use third-party service providers in serving your account. We may share confidential information about you with these service providers, but remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, we will remain responsible for the work provided by any such third-party service providers.

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing.

We will provide copies of our reports to the County; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Clifton, Lipford, Hardison & Parker, LLC and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to regulatory authorities or their designees, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Clifton, Lipford, Hardison & Parker, LLC personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by the regulatory authority. If we are aware that a federal awarding agency or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Mark O. Hardison, CPA is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them.

Our fee for these services will be at our standard hourly rates plus out-of-pocket costs (such as report reproduction, word processing, postage, travel, copies, telephone, etc.) except that we agree that our gross fee, including expenses, will be \$28,000 - \$35,000. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes 30 days or more overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

System Review Report

September 15, 2016

To The Partners
Clifton, Lipford, Hardison & Parker, LLC
And the Georgia Society of CPAs Peer Review Committee

We have reviewed the system of quality control for the accounting and auditing practice of Clifton, Lipford, Hardison & Parker, LLC (the firm) in effect for the year ended March 31, 2016. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants. As part of our peer review, we considered reviews by regulatory entities, if applicable, in determining the nature and extent of our procedures. The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review. The nature, objectives, scope, limitations of, and the procedures performed in a System review are described in the standards at www.aicpa.org/prsummary.

As required by the standards, engagements selected for review included engagements performed under *Government Auditing Standards* and audits of employee benefit plans.

In our opinion, the system of quality control for the accounting and auditing practice of Clifton, Lipford, Hardison & Parker, LLC in effect for the year ended March 31, 2016, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency* or *fail*. Clifton, Lipford, Hardison & Parker, LLC has received a peer review rating of *pass*.

Agenda Request – Jasper County BOC

Department: Board of Commissioners

Date: September 9, 2019

Subject: Impact Fees Program and 2019 CIE Update

Summary:

The Department of Community Affairs requires a periodic review of a County's Impact Fee Program.

Jasper County is currently reviewing the overall application of its Impact Fee Program including the applicable Public Facilities Projects and Revenue Allocation.

The Department of Community Affairs also requires each County that participates in the Impact Fee Program to submit an annual Capital Improvement Element to its Comprehensive Plan in order to remain compliant with the State of Georgia.

Compliance requirements include the following annual submittals to the Department of Community Affairs:

Annual Impact Fee Financial Report

Report of Accomplishments

Impact Fee Capital Improvement Project List

Short Term Work Program

Background:

Jasper County participates in the Georgia Development Impact Fee Program.

The program is designed to ensure adequate public facilities are available to serve new growth and development by requiring the new growth and development entities pay a proportionate share of the cost of the additional public facilities.

Jasper County requires each person or business to pay an Impact Fee of \$1376.70 for each new building permit.

Cost:

None

Recommended Motion:

Board Discretion
